08:00 Buffet breakfast in the hotel. Trip by bus to the Moscow Region

11:00 Arrival to the firing range: acquaintance , briefing

11:30 Transfer to the «firing point»

In the battle like field the samples of weapons are placed. These are authentic samples of small arms, shooting by blank cartridge. Kalashnikov (AK-47) has 15 cartridges per person, Pistol TT has 5 cartridges per person, Mosin's rifle has 5 cartridges per person, Kalashnikov machine gun (PK) has 20 cartridges per person, antitank rifle(PTR) has 1 cartridge per person, Shpagin pistol-machine gun (PPSH) has 10 cartridges per person.

13:00 Obstacle course

The group is divided in two parts. All members of each subgroup take the course of “the scout’s path” (light version), overcoming different obstacles during a certain time period. The result is the best total time of all the team participants: overcoming the stream across the canopy, crawling under “thorny wire” , carrying tank shells, overcoming vertical wall

13:30 T-55 Tank riding and infantry armored machine riding (BMP)

Story about the machine, photo session. The team comes to the activity point, where there is a tank T-55 and a BMP machine. The guide is telling the team about the history of the machine creation. Coaches, driver-mechanic tell guests about machine exterior and interior structure and its peculiarities and operation system. We divide the group it two parts and send them to patrol the forest. Teams participate in the impromptu combat.

Program

DAY 3 MOSCOW REGION – FIRING RANGE ALABINO

- 14:00** Shooting from antitank rifles and 76 mm gun (ZIS 3) aiming at machine BTR-60. BTR –60 riding
